

Bluff Rd is set to be closed one month for construction starting Oct 10.

During this time Angel Animal Hospital is easily accessed through Wakefield.

From Morgantown Rd take Bancroft Lane, go left at first "T" right at second "T" and turn left onto Wakefield Rd.

From Smith Valley Rd take Paddock Rd to Wakefield Rd and go left. Wakefield turns into Bluff Rd and Angel Animal Hospital is on the left.

While it typically takes less than 5 minutes to use these routes, please remember it is a subdivision so be cautious and allow enough time.
